

Academy of Osseointegration

Advancing the Vision of Implant Dentistry

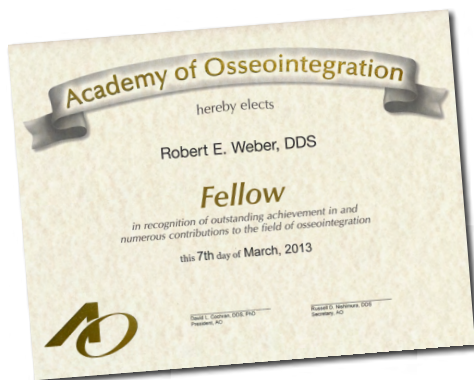

The Academy of Osseointegration was founded as a regional study club following the introduction of osseointegrated implants to the dental profession in 1985. The organization has grown exponentially, paralleling the explosion of basic and clinical science in implant dentistry. AO is a broad-based dental association with a large membership, drawn from over 65 nations and a spectrum of disciplines. The Academy's membership is comprised of doctors and allied staff from all levels of dentistry who are committed to the best care for their patients based on time-tested technologies, along with presentations of cutting-edge innovations. Many of these individuals have given their time and expertise to dental education, research and service to the Academy and the implant profession. The membership is a cross-section of "Who's Who" in the dental implant and biosciences arena, including dental school deans, program directors, journal editors, and international research scientists and lecturers.

Reflecting the importance of science and service embodied in its founding principles, the Academy established a Fellow membership category to honor those individuals who have made outstanding contributions to the Academy of Osseointegration and implant dentistry in general. Criteria has been established to offer a careful balance of requirements that will ensure it is attainable by all members.

While not a form of credentialing, the AO Board of Directors believes that attaining Fellowship of the Academy says more about our members than mere case presentations or examination of knowledge. It sets the standard for those who take their continuing professional education seriously, have a strong commitment to the field of implant dentistry and recognize the incredible value that volunteerism and philanthropy have in an organization.

The opportunity to be honored as an exclusive Fellow of the Academy of Osseointegration is one that every AO member should aspire to.

Successful candidates will be recognized by presentation of a Fellowship certificate and pin during the Opening Session of the Annual Meeting and their names will be published in the Academy News and the Membership Directory for acknowledgment of the entire membership.

Please review the enclosed application form within this brochure and start working towards your own Fellowship goal today.

ACADEMY OF OSSEOINTEGRATION APPLICATION FOR FELLOWSHIP

85 W. Algonquin Road, Suite 550, Arlington Heights, IL 60005
Phone: (847) 439-1919 or (800) 656-7736
FAX: (847) 427-9656
Email: membership@osseoint.org Website: www.osseoint.org

APPLICATION INSTRUCTIONS: A minimum of fifteen (15) points total is required for the application to qualify for Fellowship. There is no cross compensation of points between sections 1-3. However, if the required points within sections 1-3 are not met, points from section 4 can be applied to compensate for the difference. Applicants are responsible for providing and labeling all required and supporting documents. Please complete the following sections as instructed and submit with all the supporting documents to the AO Executive Office.

PLEASE TYPE OR PRINT. ILLEGIBLE OR INCOMPLETE APPLICATIONS WILL NOT BE PROCESSED.

APPLICANT INFORMATION

SUPPORTING DOCUMENTS

Please provide copies of certificates only, as these are required for verification. You should include your certificate of dental graduation, or higher educational degree, all CERP certificates (or local equivalent evidence of further continuing education), and certificates of attendance to Academy of Osseointegration and other meetings. In addition, any evidence to support your application, such as copies of conference programs in which you have lectured or article reprints, etc., is advised to help speed up the process.

DISCRETION OF THE BOARD

Please be advised that while every effort has been made within the context of this point system to be inclusive for a variety of activities, the Academy of Osseointegration Board and Fellowship and Certificate Committee reserve the right to include additional activities not listed or exclude activities deemed inappropriate. Any decision to exclude an activity that might result in failure to obtain Fellowship will be explained to the applicant in full.

Return the completed application and all supporting documents to:

Academy of Osseointegration
 Attn: Fellowship and Certificate Department
 85 West Algonquin Road, Suite 550
 Arlington Heights, IL 60005
